## International Student Information

Deciding to attend school in a foreign country is a big decision. The quality of education, the safety and security of the surroundings, the cultural experience, and the available support are all very important aspects to consider when making your decision.

When exploring Everest, you will find that our school offers international students an extraordinary academic experience blended with a strong sport, music, fitness and nutritional programs, which is supported by a dedicated and professional team; all this within our very safe and secure Thornhill community, in one of the best countries in the world, Canada.

### About Everest

Everest is a new generation accredited private school designed to enable students to pursue high standards of academics while, simultaneously, devoting a significant amount of time towards the discipline, vocation or activity of their choice. It is a place where students can be fast-tracked by offering a flexible platform to allow more training, practice, and expert coaching -- during the school day. Founded by a dedicated team of experts from various fields, Everest enables students to pursue the highest levels of achievement.

Everest is located in beautiful Thornhill, Ontario, - less than 30 minutes north of downtown Toronto, and 20 minutes east of Pearson International Airport.

Everest Academy meets and exceeds the highest Canadian and Ontarian educational standards. Accredited by the Ontario Ministry of Education, Everest offers a unique learning environment that promotes deep and durable learning, and properly prepares students for post-secondary success.

Our full year course curriculum allows for students to properly develop a strong foundation especially in the core subjects of English, Math, and Science. For the first part of the day, students participate in a focused academic program. This allows students ample time, during the second part of the day, to devote to academic enrichment opportunities, sports and fitness, or receive expert coaching in a discipline.

## Supporting Foreign Students

Each foreign student has the opportunity to become a successful student through the support of dedicated instructors, small class sizes, and an integrated ESL program. Our maximum of 15 to 1 student/teacher ratio ensures higher than average student/teacher interaction, a customized learning environment, and balanced approached towards academics while transitioning into the new environment.

When necessary, foreign students are further supported by translators fluent in appropriate languages. Foreign students can expect a broad range of courses, post-secondary counseling, SAT/ACT preparation and college scholarship support; all to ensure that the student has access to the best post-secondary opportunities in Canada and the US.

- Maximum 15 to 1 student / teacher ratio
- Motivating and nurturing instructors
- Integrated ESL program
- Excellent learning experience
- Canadian and US Post-secondary stream
- Increased teacher interaction
- Student-centered approach to learning
- Focus on Math, Science, Music and English
- Increased collaboration with parent(s)
- Ongoing evaluation and assessment
- On-line learning platform with Parental access

## Everest Residential Program

Living in the Everest residence is a great way to experience everything Canada, Ontario, and Everest has to offer. It is our promise to provide you with appealing accommodations and caring hospitality from our staff and other students who share your interests and educational goals. Our supervisors are kind, hospitable, and take their responsibilities seriously. You can expect a supportive residence environment and assistance at every stage of your stay at Everest.

You will find all of the information necessary on our web site to make your decision to attend Everest. If you require additional assistance, please feel free to contact our Admissions team. They will be happy to assist you with any questions you may have. You can reach the Admissions Office by either telephone at +1-905-881-3335 or through email at [admissions@everestacademies.com](mailto:admissions@everestacademies.com).
